

Women cell at NSB aims at providing a safe and supportive environment for girls and women staff members by ensuring equal opportunities, creating awareness on their rights and organizing guest lectures, seminars, training programs to enhance their intellectual and social skills.

### **Broad Objectives:**

- Ensure safe and supportive environment for girl students and women staff members.
- Organize gender awareness campaigns in campus and in nearby communities.
- Sensitize in house people and neighbourhood community about gender-related issues.
- Provide advice and guidance to female students when needed.

### **Vision:**

To promote gender neutral environment, guarantee security and stately workspace for womenfolk by providing them equitable opportunities for ensuring their future enrichment.

## **Mission:**

- Create equitable opportunities in all the sphere of work to empower womenfolk to attain their fullest potential.
- Organize awareness programs, workshops and training programs for the womenfolk in order to equip them with the right knowledge and skills to promote personal and professional well-being.
